Educator Notes

This selection will appeal to singers of all ages and can easily be adapted to various voicings. It may be lowered one step to the key of C for SATB voices, or raised to the key of F for 2-Part and SSA ensembles. This is easily accomplished when accompanied by guitar by removing the capo for C or raising the capo to the fifth fret for F. We have included a separate guitar part with chord symbols and finger-picking diagrams (tablature) for this purpose.

The violin/cello duet, measures 32-39, may also be performed on a string synthesizer, played by recorders or flutes, sung by the voices, or any combination thereof. This section may also be accompanied by a modern dance or slide presentation for effect.

R.E.

The 1978 Pop Hit by KANSAS

Dust In The Wind

For 3-Part Mixed and Piano with Optional Synthesizer and Guitar

Performance Time: Approx. 2:30

Arranged by
ROGER EMERSON
